We completed an audit of the financial statements of the Rhode Island Lottery (Lottery) for the fiscal year ended June 30, 2018. The Lottery paid $365.0 million to the State’s General Fund for the fiscal year ended June 30, 2018. The amounts paid to the General Fund represent the Lottery’s net income after payment of prize awards, commissions, and operating expenses.

The total amount transferred to the State increased $2.3 million over the previous fiscal year ended June 30, 2017. The Lottery’s gross profit from gaming operations before operating expenses totaled $375.3 million for the fiscal year ended June 30, 2018. Video lottery accounted for $288.4 million or 76.9% of total gross profit.

Net video lottery revenue decreased by approximately 0.2% compared to the prior year. On-line revenue increased 2.6% and instant ticket revenue increased 4.8% over prior year amounts. The Lottery’s operating expenses totaled approximately $11.4 million for the year ended June 30, 2018.

Net revenue from Twin River table games totaled $145.8 million for the year ended June 30, 2018. After commissions paid to Twin River and the Town of Lincoln, and related operating expenses, the State’s share of net revenue from table games amounted to $18.6 million.

The Lottery disclosed contingencies related to the potential risk to gaming operations from competition in nearby states.

We concluded that the Lottery’s financial statements for the year ended June 30, 2018 were fairly presented in accordance with accounting principles generally accepted in the United States of America.

We also issued our Independent Auditor’s Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards. Our audit found no matters required to be reported under Government Auditing Standards.

We reported one management comment intended to enhance the Lottery’s oversight and monitoring of information technology security.
